FORT LAUDERDALE, FLORIDA

THE VENICE OF AMERICA

Miles of sandy beaches, lively outdoor events, and a charming web of waterways help to make Fort Lauderdale a relaxed, vacation capital of Florida. The excitement is palpable, as cruise ships and gleaming yachts gather in the harbour ahead of adventures and luxury journeys across the waves. Soak up the relaxed atmosphere in the canal-laced 'Venice of America,' as you enjoy big label shopping on Las Olas Boulevard - or visit fancy restaurants and bustling art galleries. For a wilder experience, the swampy wetlands of the Everglades sprawl away nearby.

Fort Lauderdale Beach is a lively stretch of sand, bordered by palm trees, and sprinkled with crowds enjoying the Sunshine State's generous weather. The charming promenade of redbrick tiles extends right along the beach's length and rumbles with passing rollerbladers and cyclists. Flick across the waves while paragliding, or relax with a coffee or a margarita in a beachfront bar, as volleyball games play out in front of you. For a quieter beach option, Olas Beach lies a little down the coast towards Port Everglades, and has extra space to spread out and tan on acres of smooth white sand. Spot the backs of alligators waiting patiently, and the toothy grins of crocodiles patrolling the murky waters of the Everglades – the USA's biggest tropical wetlands. A haven of extraordinary wildlife, birds wade through its swamps, and black bears and panthers roam its wilds. Take a plane to appreciate the full scale of the national park or purr along exploring its waterways in a fan powered boat.

GOING ASHORE IN

PORTS OF CALL

YOUR ONBOARD SHORE CONCIERGE

We at Silversea strive to offer personalized voyages for our guests. Our aim is to empower you to discover the ports in a manner that best suits your needs. Whether this is via a coach tour, a small group adventure, a private van or a stroll through town, count on us to send you on your journey fully prepared.

Our onboard team has years of acquired travel experience. We endeavor to gather the best ground operators and local experts, enabling us to provide current pragmatic advice. In-depth questioning and personalized research allows us to suggest an authentic taste of each port or destination.

We face a formidable challenge when advising about our hundreds of unique ports. Each port's operations and customer service approach reflect the local culture. While we of course demand the best, the best does vary from port to port. You will never hear a team member embellishing a tour, we will always be frank and honest about the quality. Occasionally guides will have accents, buses will have forced air instead of air-condition and roads will be bumpy. However, as travelers, we know what is important. We emphasize what lies outside the window, what we have seen, heard and discovered scents for ourselves.

EXCURSIONS

Port information and full tour descriptions are available on the interactive TV system in your suite for each port of call for this cruise.

HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Please use the hand sanitizers situated at the entrance door of the dining outlets and various locations around the ship.
