GISBORNE, NEW ZEALAND

IT'S KNOWN FOR WINERIES AND SURF BEACHES SUCH AS MAKORORI

With a population of around 35 000 and located on the north island Gisborne exudes history at every turn. Maori for "Great standing place of Kiwa" Kiwa was a leading figure aboard the Maori ancestral canoe Takitimu which ran aground in Gisborne around 1450 AD.

After landing Kiwa became a coastal guardian eventually marrying Parawhenuamea the keeper of the streams. The union point of three rivers and the first place to see the sun the city is filled with light and laughter and gracefully squeezes surfer's beaches with the district's colonial past.

Captain Cook made his first landfall here, John Harris set up his first trading station in the then village and today Gisborn is the major centre of Maori cultural life. Suffice to say then that the city is a watery wonderland. With its picture perfect beaches what savvy traveller does not want to add being among the first people in the world to say they have watched the sky change colour as the sun bursts from out of the sea.

A place of nature spectacular beach cliff views are all just part and parcel of everyday life here and easy walks from the centre of town to the Titirangi Reserve will award you with yet more unbelievable 180° vistas from Poverty Bay to Gisborne City stretch your eyes with the panorama while stretching your legs on one of the many enjoyable walks. A perfect place to stroll amble and wander like much of New Zealand Gisborne keeps a healthy respect for history and nature and enjoys a very laid back feel.

SAFETY IN TENDERS

Today you will be taken ashore with the ship's tender service leaving from Deck 3.

For your own safety, please read the tender safety notice at the head of the gangway prior to boarding and the emergency instructions posted in each tender. Smoking is not permitted in the tenders. You are advised to wear flat shoes with rubber soles. Please be careful when boarding the tender. To avoid risk of injury, keep hands and arms inside the tender at all times. Remain seated at all times and do not attempt to get out until assisted to do so by the ship's staff.

HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands.

SHIP PROCEDURES

An announcement will be made when the ship has been cleared by local authorities for guests to proceed ashore. You are kindly requested to remain clear of the gangway area until then.

Please remember to carry your **Suite Key Card and a government-issued Photo ID** whenever going ashore as this is your only valid identification for reboarding the vessel.
