## NAPIER, NEW ZEALAND

### EXPLORE THE FAMOUS WINE-PRODUCING REGION OF HAWKE'S BAY

Sip the fine wines of legendary producers visit Cape Kidnappers' crowds of birdlife and wander the stylish streets of the world's art deco capital during your time in handsome Napier. Located on the huge arc of Hawke's Bay Napier enjoys a generous Mediterranean style climate and a breezy cafe culture. A green outdoor town wander Marine Parade which borders the rich blue Pacific and invites you to stroll along a tree-lined two-mile seafront.

Take the gentle hike up to Bluff Hill for panoramic views over the lively Napier Port and out towards Cape Kidnappers - given its name following a clash between Captain Cook's settlers and the local Maori population. Here you'll encounter one of the world's largest mainland gannet colonies creating a colourful cacophony by the sea. Set on sheer cliffs the goldenheaded birds are an incredible sight swirling overhead and dancing before you.

The city's renowned Art Deco architecture glows in the sunshine of New Zealand's North Island. Built following the devastating 7.8 magnitude earthquake which ripped through the region in 1931. The rebuild in the architectural fashion of the time has left an authentic treasure-trove of 30s style buildings.

Grapes thrive in the warm dry climate of Napier and Hawke's Bay which is one of New Zealand's oldest wine regions. Swirl glasses in waterfront bars or head out to walk among the vineyards of pinot gris and syrah grapes learning of the climate conditions that help add sophisticated flavour to every bottle.

### SIGHTS

- Napier's Art Deco Architecture
- National Aquarium of New Zealand
- Mission Estate Winery
- Cape Kidnappers
- Marine Parade

### WAIOTAPU THERMAL WONDERLAND

This 40-hectare pa (Restored Maori Village) is one of New Zealand's most important archaeological sites. When you climb the hill further up you will be rewarded with excellent panoramas of the surrounding countryside down to Napier and across to Cape Kidnappers.

# THE VENETIAN SOCIETY

A SPECIAL CIRCLE OF FRIENDS

*Why is Silversea's past passenger club called the "Venetian Society"?*

It perfectly suits our exclusive organization as Venice reflects Silversea's Italian heritage; Early Venetians like Marco Polo were among the world's intrepid explorers, and the ships of Silversea also explore the most exotic corners of the globe. Also, consider that Venice is a floating masterpiece of art and architecture – just like our intimate, ultra-luxury ships.

### HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands.
