WELLINGTON, NEW ZEALAND

THE COUNTRY'S CULTURAL CAPITAL & HOME TO THE TE PAPA TONGAREWA MUSEUM

Sprawling around a hook-shaped peninsula Wellington is a vibrant and energetic seaside capital. A compact well-stocked city of buzzing bars and chatting cafes New Zealand's capital is a bright and breezy place with an infectious easy-going atmosphere. Known as the creative hub of the South Pacific there are shows to see art installations to enjoy and rich flavours to savour here.

The sounds of rare and beautiful birdlife fill the hills around the city and the bush of the green belt provides easy-to-access sanctuary strolls and cycle rides. The Botanical Gardens break up the buildings even more while an iconic cherry-red cable car rumbles up Wellington's slope to the city's best viewpoint looking out over the city's scenic harbour from above.

Zealandia has provided an urban home for rare and endangered birdlife bringing many species back from the brink. Varied museums cover everything from Maori traditions to earthquake simulations and even the real-life Kraken - a displayed colossal squid. Wellington is only New Zealand's third-biggest city but spend some time here and you'll realise that's a blessing.

The wines grown nearby are revered and the city's craft beers are also making waves. Wander the breezy waterfront and admire the surfers riding the wind-whipped rollers of the self-proclaimed 'coolest little capital in the world'.

HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Please use the hand sanitizers situated at the entrance door of the dining outlets and various locations around the ship.
