SYDNEY, AUSTRALIA

A VIBRANT CITY FULL OF CULTURAL SIGHTS AND EXCITING ATTRACTIONS TO EXPLORE

With its glorious harbour, lavish golden beaches and iconic landmarks, Sydney is Australia's showpiece city. Creative and curious, discover the world-class cuisine, indigenous culture and irresistible beach life that make Sydney one of the world's most dynamic and exciting destinations.

Sydney's sparkling harbour is the heart of a richly cultural city. Overlooked by the metallic curves of the masterpiece of an Opera House and that grand arched harbour bridge. Take it all in from the water and admire the iconic landmarks which are set before the city's gleaming skyline backdrop. If you're feeling adventurous, take the legendary climb up the smooth curve of the bridge - nicknamed the Coathanger - to soak in the shining city's spread from a unique perspective.

Spread out to tan on one of the world's most famous stretches of sand - Bondi Beach. Restaurants and bars burble away in the background while the sun beams down and surfers curl and leap over pure rollers. Swim in spectacular salty ocean pools or wander the beautiful Bondi to Coogee coastal walk for more of this sun-gorged stretch of prime coastline.

Leaving the thrills of Australia's largest city behind is surprisingly simple - take to the skies to be flown above skyscrapers and rippling ribbons of waves out to majestic peaks, sheer cliffs and iconic rock formations - like the Three Sisters of the Blue Mountains. Or drop in on wildlife sanctuaries caring for the country's animals - from hopping kangaroos to adorably cute cuddly koalas.

SIGHTS

- Mrs Macquarie's Chair
- Sydney Harbour Bridge
- The Rocks
- Darling Harbour

SYDNEY OPERA HOUSE

One of the most iconic and recognizable buildings in the world, and listed as a World Heritage site in 2007, the Sydney Opera House is a multivenue performing arts center and a unique architectural sight that wows more than 8 million visitors annually.

HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands.
