BEAUTIFUL PARKLANDS, BUSTLING LOCAL MARKETS AND WATERSIDE DISTRICTS

The envied climate makes Brisbane a city of outdoor adventure activity and relaxation where days drift by surfing rollers or relaxing in the shade of swaying palms.

While Brisbane may play second fiddle to Sydney and Melbourne at times it radiates a creative and contemporary energy offering visitors a refreshing combination of laidback waterfront luxury and urban sophistication. Sandy islands nearby provide scenic diving and oceanside relaxation opportunities while the city's animal sanctuaries offer opportunities to meet unbearably cute koalas and kangaroos.

Brisbane's impressive skyline of metallic cylinders rises high above the broad Brisbane River below which curves lazily through downtown. The rolling waves of the Pacific are close by but there's something special about relaxing on soft sand in the very heart of the city on the beautifully executed South Bank Parklands man-made beach. With golden sand and shallow lagoon waters to cool off in it's a dreamy spot to lie back with a book amid the landscaped gardens. Nestled in a river meander of its own Brisbane Botanic Park glows with colour tropical plants and wading ibis birds and is easily walkable from the Parklands.

The South Bank is the cultural hub of city and houses the celebrated Queensland Gallery of Modern Art - a surreal and vibrant jaunt through contemporary Australian art. The city's award-winning restaurants also serve up elite food matched with generous splashes of wine direct from the nearby Granite Belt's wine regions..

SIGHTS

- Brisbane City Botanic Gardens
- Mount Coot-Tha Summit Lookout
- Roma Street Parkland

HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands.
