Galapagos Islands are truly the ultimate expedition and life changing experience. From the islands' volcanic origins to their present day status as a marine reserve, you will see why this wondrous place inspired Darwin's Theory of Evolution after his visit in 1835.

Snorkeling with sea lions and green sea turtles, hiking across the lava flows and having a close encounter with endemic species are just a few of many unforgettable experiences that you will take home with you.

Please join your Venetian Society Representative and Future Cruise Manager Gui for an inspirational and educational talk about the incredible Living Museum.

# DANNY BACHER'S SWING PARTY!

## TONIGHT'S SHOW

▶ AT 9:30PM  
THE SHOW LOUNGE, DECK 6

Danny Bacher is an award-winning singer, saxophonist, songwriter and entertainer. He's not only a master of the demanding soprano sax, but combines his virtuosity on the instrument with a talent for comedy and narrative storytelling. He's a smooth and cool individual who makes hot jazz and pop, cut from the cloth of the great Louis Prima and Mel Tormé.

Bacher swings with pizzazz, scats and sings with a smoky voice, all adding to his compelling stage presence. Stephen Holden in The New York Times said of Bacher that he's a "prodigiously talented musical preservationist," adding what Bacher knows in his bones is that "the secret of serious fun is not to take it too seriously."

Bacher has also worked as an actor, comedian, dancer and writer, touring internationally with his original works. He has performed several times at Carnegie Hall and most recently alongside the legendary Michael Feinstein. A recent recipient of the prestigious Margaret Whiting Award, Bacher was also nominated for best male vocalist in the 2019 National JazzTimes reader's poll, in 2020 and 2021 he placed in the top 4 in the country and in 2023 he received the Bistro Award for outstanding achievement as a singer/instrumentalist in the New York entertainment community. Danny was personally selected by the 98 year old jazz legend, Terry Gibbs, as the vocalist to record his Songbook.
