EXPLORE LAGOONS TEEMING WITH MARINE LIFE, MYSTERIOUS CAVES AND CANYONS

Visiting Lautoka, tourists can enjoy many attractions and choose from a variety of sightseeing tours. One of the popular sites to visit is the Garden of the Sleeping Giant, home to around 2,000 species of orchids. During a guided walking tour you can marvel at the exquisite beauty of your surrounds.

For everyone who would like to explore the local culture and heritage, a visit to Veiseisei, a traditional village located in the Vuda District, is recommended. The native Fijians settled here when they first arrived in 1500 B.C. Another local place to explore is the village of Sabeto where giants of men once roamed. The chiefs of Sabeto used to own almost half of Vitilevu (the largest island in Fiji and home of the nation's capital), indicating that they were mighty warriors. This village has retained many of its old customs and culture. Get first-hand experience about the daily routine of the native Fijians and learn about traditional ways of life.

Near Sabeto you will find the well-known mud pool and hot springs of Fiji. If you have never been covered in mud from head-to-toe, it's an experience you won't soon forget. The Sabeto mud pool and hot springs are one of Fiji's hidden jewels, and offer a rare opportunity to indulge in a therapeutic, natural, thermal mud spa. The therapeutic mud pool of Sabeto is the ideal remedy for self-cleansing, or naturally beautifying yourself. Locals believe that the sulphur in the hot springs have healing properties. A popular spot for both visitors and locals, the mud pool also offers a great social experience. After absorbing the soothing and healing properties of the mud, wash it off in the natural hot springs and enjoy the rejuvenating feeling after this cleansing procedure.

TODAY'S EVENT

▶ CELEBRATING WAITANGI DAY

6th FEB - New Zealand Day

Waitangi Day is recognised as New Zealand's national day and is the most important marker in the country's history.

Every year on 6 February, New Zealand marks the signing of the Treaty of Waitangi in 1840. In that year, representatives of the British Crown and over 500 Maori chiefs signed what is often considered to be New Zealand's founding document. The day was first officially commemorated in 1934, and it has been a public holiday since 1974.

On this day, New Zealanders come together to celebrate with activities inspired by Maori culture. These include traditional Maori food, the famous kapa haka performances, and tree planting.

Enjoy culinary delights of New Zealand prepared by our Executive Chef Franck and his team. Bon Appétit!

LET'S CELEBRATE NATIONAL & INTERNATIONAL FOOD & BEVERAGE DAYS

TODAY: Chopsticks Day (USA)

At Silversea Cruises, we take maximum food precautionary measures to ensure the safest quality product is offered to our guests; Worldwide Public Health Services advise that consuming raw or undercooked meats, seafood, shellfish, eggs, milk, or poultry may increase your risk of food-borne illness, especially if you have certain medical conditions.

HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Please use the hand sanitizers situated at the entrance door of the dining outlets and various locations around the ship.
