AIRLIE BEACH, AUSTRALIA

THE GATEWAY TO THE WHITSUNDAY ISLANDS AND THE GREAT BARRIER REEF

With the finest powder sand, knots of deep green rainforest and ankle-deep shelves of turquoise sea water – Airlie Beach is your gateway to some of the world's most spectacular beaches.

This lively town welcomes wide-eyed young adventurers and the yachting crowd alike to the Whitsunday Islands' serenity, and the hiss of espresso machines, and excited chatter of adventure, spills out from its many cafes and bars. Relax at Airlie Beach Lagoon – the social hub of this town – where sun-heated saltwater invites you to wade, before flaming fresh coral trout over a barbecue as the sun sets.

Or, take a seat at one of the glorious restaurants offering uninterrupted views out over the waters of Pioneer Bay, towards the 74 islands that make up the Whitsundays. These heavenly waters don't just attract humans.

Humpback and pilot whales also migrate here to indulge in the warm waters and sheltered location. Spot the majestic creatures breaching and gulping in huge gasps of oxygen as you explore. Feeling adventurous? Rainforest walks to secluded pebble beaches await at Conway National Park, where difficulty-graded walking trails are available.

Dive among swirls of jewel-coloured marine life, or experience the thrill of skimming into the sky on a seaplane. Take off to admire the scattered island paradises below from a stunning new aerial perspective, before landing and enjoying a picnic amid Whitehaven Beach's bliss.

HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands.

Please note this useful information when going ashore.
