## LEMBAR, LOMBOK, INDONESIA

### HOME TO THE SECOND HIGHEST VOLCANO AND AN AMAZING, UNIQUE WILDLIFE

An island of startling contradictions and contrasts Lombok exudes an aura of the staid and the rural a genteel way of life in a quiet backwater. Located to the east and across a deep strait from its illustrious neighbor Bali the island of Lombok offers unique culture beautiful landscapes and a far less frenetic pressured atmosphere than Bali.

However savvy travelers agree that Lombok's calm existence may soon come to an end as it is fast becoming the new "in place" after Bali. The island was once ruled by a series of Sasak princes who spent their time fending off successive invasions from Sumbawanese and Makassarese attackers. In 1740 the Balinese established a stronghold here and imposed their culture on the Sasaks. Later Lombok came under Dutch rule until the country achieved independence.

The western part of the almost circular island is well irrigated by mountain streams and artesian springs. Here Balinese and Sasaks have sculpted handsome rice terraces Hindu temples vie for attention with glistening white mosques rising from picturesque rural villages. More dramatic is the southern coast with beautiful sandy bays set between rocky outcrops.

Most of Lombok's attractions are concentrated in the western district of the island within a nine-mile radius of the capital Mataram. Members of Lombok's polyglot population - Sasak Balinese Chinese and Arab - continue their laid-back traditional ways.

# SONGS WE LOVE TO SING

TONIGHT'S SHOW

▶ AT 6:30PM  
THE SHOW LOUNGE, DECK 6

Steve and Mike Foenander present exquisite renditions of classic jazz standards up to new and exciting arrangements of contemporary songs. With precision harmonies that can only be achieved by brothers, Mike and Steve bring their own brand of humour to the show. Think Frank Sinatra meets Michael Buble or Tony Bennett meets Jamie Cullum. Best friends and brothers, Steve and Mike love their audience and use every last breath to bring back the best in popular music and leave the audience wanting more.

Mike and Steve Foenander enter stage right like the seasoned performers they are, there's no doubting the skill and pizzazz these brothers have; something that comes only from many years spent performing on stage. Mike possesses a strong, punchy voice, whereas Steve has more smooth undertones; different as their vocal approaches are, together - in unison or in harmony - their voices make for the perfect musical combination.

## HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Please use the hand sanitizers situated at the entrance door of the dining outlets and various locations around the ship.
