## BENOA, BALI, INDONESIA

### ISLAND OF THE GODS, LAND OF A THOUSAND TEMPLES OR THE WORLD'S LAST PARADISE

As superlative as these monikers may sound, they do not do justice to the actual reality of the island. Bali is as good as everyone says – verdant mountains with terraced rice fields in one direction, black sand beaches in another and captivating people that will leave even the most seasoned traveller humbled.

If you're looking for a Garden of Eden that really does have it everything, Bali ticks all the boxes. The rich and diverse culture of the island is what sets Bali apart from Indonesia's (many) other tropical paradises. The country's estimated 10,000 Buddhist-Hindu temples, with their daily offerings of lotus flowers and fruit are testament to the gentleness of the islander's belief.

Then there is the vibrant arts and crafts scene, notably in Ubud in the centre of the island, but prolific everywhere. Ideal souvenirs to bring back range from gorgeous silver jewellery to intricate wood carvings. Additionally, do try to see a traditional dance if possible, particularly if accompanied to local gamelan music.

No one could mention Bali without mentioning the food. Dishes range from elaborate meals to street food bites, but all are without exception ambrosia. Do not miss out on tasting a succulent chicken satay, betutu (apparently the King's favourite meal) and sambal matah. But whatever you decide to discover, you can be assured of a taste sensation that will remain with you long after you have returned home.

### SIGHTS

For those seeking a deeper connection with the culture of Bali, a visit to Tanjung Benoa Cultural Village is an unique and enriching experience.

# THE KECAK MONKEY DANCE

TONIGHT'S LOCAL SHOW

AT 6:30PM  
THE SHOW LOUNGE, DECK 6

The Kecak (pronounced 'kechak'), is one of Bali's most exotic and moving events, where a large group of performers act both physically and vocally as a single organism. It is simultaneously sacred and profane – both a group meditation and a populist entertainment – designed to awaken the sense of harmony between humans and with nature.

There are tourist versions of the Kecak, and the real thing, such as this. It is very rarely performed aboard ships. This group, from the highland village of Teges is renowned throughout the island, and none of the 20 children and most of the adults in this group of some 70 performers have ever been aboard a cruise ship before. This is an experience not to be missed, as it conjures you into the heart of the Balinese way of feeling and being.

# BENEFITS OF BOOKING YOUR NEXT CRUISE ON BOARD

If you are thinking about another cruise, there is no better time to book than while you are here on board. You'll enjoy an additional 5% onboard booking savings, combinable with your Venetian Society status.

This means that you can save up to 10% on selected sailing if you book today on board. The reservation is made on behalf of your travel agent or personal Cruise Consultant at Silversea.

## HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands.
