PIANIST WITH THE HAIR

TONIGHT'S SHOW WITH JULIAN GARGIULO

▶ AT 9:30PM
THE SHOW LOUNGE, DECK 6

Julian Gargiulo is a pianist, composer, and Steinway Artist. He performs regularly in Carnegie Hall, United Nations, Moscow Conservatory Hall, Symphony Stage in Singapore, and Seymour Theatre in Sydney, and has been featured on Radio and TV stations in North America, Europe, and Asia. His first recording for Deutsche Grammophon, "Estro", with violinist María Dueñas, was released earlier this year to wide acclaim.

Julian's concerts are always an interactive experience. A classically trained pianist, Julian captivates his audience not only with his technical precision but with his Jerry Seinfeld-ish wit as well. Julian invites his audience to abandon all preconceived notions about classical concerts. On stage he presents a program which includes classical standards, Tango transcriptions, as well as his own compositions. In between pieces he engages the audience by sharing his personal stories, anecdotes from the lives of composers, and his home remedies for jet-lag.

In 2015 Julian presented the first edition of 'Getting to Carnegie', an International Music Competition which offers musicians from all around the world a chance to share the stage at Carnegie Hall. In 2020 Julian and his wife Elektra started a New Music Series called "One Classical Minute" (www.oneclassicalminute.com) described as "High Culture in Low Doses" for everything you never wanted to know about classical music, and never bothered to ask.

Julian splits his time between New York and Paris. More info at: www.pianistwiththehair.com

"Saturday Night Live meets Carnegie Hall" (Huffington Post)

"Expect to revise any preconceived notions you have about classical music concerts." (Huffington Post)

"He's the only classical musician I know who could truly be regarded as a rock star as well." (The Courier Mail)

"He was in town last night... he's just brilliant... there are not enough words to describe the genius behind him... because when he sits down and plays you are watching a Beethoven or Chopin... years from now your grandkids and great-grandkids will be talking about Julian. He's just magnificent." (ABC TV)

LET'S CELEBRATE NATIONAL & INTERNATIONAL FOOD & BEVERAGE DAYS

TODAY: International Oatmeal Cookie Day

At Silversea Cruises, we take maximum food precautionary measures to ensure the safest quality product is offered to our guests; Worldwide Public Health Services advise that consuming raw or undercooked meats, seafood, shellfish, eggs, milk, or poultry may increase your risk of food-borne illness, especially if you have certain medical conditions.

HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Please use the hand sanitizers situated at the entrance door of the dining outlets and various locations around the ship.
