## CAIRNS, AUSTRALIA

### HOME TO THE ICONIC GREAT BARRIER REEF

Warmly welcoming you to the natural wonders of the Great Barrier Reef, Cairns is a treasure trove of rich tropical beauty and incredible sea life. Swathes of rainforest spread out to the north, where you can soar over the canopy in a cable car, before looking down over narrow channels of water plummeting down gorges and crocodile-filled waterways. The diverse lands of the Atherton Tableland lie to the west, but it's the crystal-clear waters – and life-filled reefs – of Cairns' remarkable underwater world that draws universal adulation. Priding itself as the Gateway to the Great Barrier Reef, explore Cairns' constellation of colour, as you dive into the world's largest and most spectacular underwater universe.

Cairns is huddled in amongst abundant swathes of rainforests, which give way to glorious crescents of golden beach. Kuranda – with its scenic railway and heritage market stalls – waits to be discovered, cloaked within the depths of the rainforest. Learn of the indigenous people of North Queensland during cultural performances, and hear the throaty reverberations of digeridoos, as you hear eternal stories handed down through time, from generation to generation. Back in Cairns, there's always time for a coffee or a beer, or a feast of fresh oysters with glasses of Cairns' white wines – boldly flavoured with mango and banana notes.

### SIGHTS

- Cairns Aquarium
- Cairns Esplanade Lagoon
- Cairns Botanic Gardens
- The Australian Armour & Artillery Museum
- Skyrail Rainforest Cableway

### BARRON GORGE NATIONAL PARK

Experience a world-heritage rainforest, the spectacular Barron Falls and the diverse wildlife in Barron Gorge National Park. Located in the Wet Tropics of Queensland's World Heritage Area north of Cairns, the park is part of the traditional lands of the Djabugandji Bama (local Aboriginal people) who maintain a close spiritual connection with this country.

Before Europeans arrived, Bama traversed this country, developing trails linking the coast to the uplands. These historic trails now form sections of a walking track network.

# THE STORY OF TWO BROTHERS

## TONIGHT'S LOCAL SHOW

▶ AT 9:30PM  
THE SHOW LOUNGE, DECK 6

A performance of ancient and contemporary stories from ancient Song Lines. Song line custodian David Mundraby, Elder of the Mandingalbay Yidinji clan from Far North Queensland is a Teacher's Aide at the Yarrabah State School and holder of the song line of his clan. The song line stretches from the North of Queensland down to the land of the Mandingalbay Yidinji, which lies between Yarrabah and Cairns.

A central story for Mandingalbay Yidinji people is the story of two brothers, Damari and Guyala. Before the white man arrived, two brothers Damari and Guyala, made their way down the east coast of Australia. They came seeking shelter and food after a long journey from the North and made a stopover near the land of the Mandingalbay Yidinji tribe of the Cairns area. The story of betrayal, lies and loyalty is told in the language, dance and song of the Mandingalbay Yidinji.
