Sunday Family Dinner in La Terrazza

This Sunday our culinary journey takes us to the beautiful Côte d'Azur – Nice to be exact!

Did you know?

Although Nice belongs to the region Provence-Alpes-Côte d'Azur, Nice gastronomy is unique. Cuisine Niçoise reflects Nice's geographical location on the Mediterranean Sea, its strong historical ties to Italy, and the local ingredients of Provence. In 1998, in order to preserve the authentic Nice cuisine, the French designated the appellation "Cuisine Nissarde."

Nice restaurants earn the "Cuisine Nissarde" label by adhering to traditional Nissarde recipes and ingredients.

We're looking forward to seeing you in La Terrazza!

LET'S CELEBRATE NATIONAL & INTERNATIONAL FOOD & BEVERAGE DAYS

TODAY: Crabmeat Day (USA) + Meatball Day (USA)

At Silversea Cruises, we take maximum food precautionary measures to ensure the safest quality product is offered to our guests; Worldwide Public Health Services advise that consuming raw or undercooked meats, seafood, shellfish, eggs, milk, or poultry may increase your risk of food-borne illness, especially if you have certain medical conditions.

INTERNET AND WIFI SERVICES AT SEA

Silversea is pleased to provide complimentary Internet service to all guests aboard our ships fleetwide. As there are no "cell" towers or cable networks at sea or in many of the remote places we visit, *Silversea* uses cutting-edge satellite technology that is far different than the high-speed broadband you are likely accustomed to on land. The distance that the data must travel is called "latency" and it is due to this process that onboard Internet access may be inconsistent, or in some cases, not available. Satellite communications are also affected by weather and the ship's location.
