## DARWIN, AUSTRALIA

### AN ADVENTURER'S PARADISE WITH TROPICAL OUTDOOR LIFESTYLE

Australia's capital of the north is a uniquely tropical city and a historically isolated outpost of this vast diverse country. Reaching up towards the equator a full 2 000 miles from Sydney and Melbourne the city was named in honour of Charles Darwin by the British settlers who established a frontier outpost here. With a unique history beautiful islands nearby and a palette of sizzling Pacific flavours colourful Darwin is an enchanting and exotic Australian destination.

Crocodiles patrol the jungled waterways and tropical rainforests around Australia's gateway to the Top End. Explore via airboat to look down on the veiny waterways of the mist-laced Kakadu National Park. The sounds of chattering birdlife and the gentle splash of fountains and waterfalls will fill your ears in George Brown Darwin Botanic Gardens. Soak it all in before kicking back and relaxing with a picnic and a crackling barbecue.

The sunshine and famous tropical pink sunsets mean many visitors naturally gravitate to the city's soft sands to relax at spots like pretty Mindil Beach as evening approaches. The adjoining market is filled with souvenirs and crafts stands and is the perfect great place to enjoy some fiery Asian flavours. Stroll the stalls grab some food and crack open an ice-frosted beer as the sunset show begins.

It may be remote but Darwin found itself on the front line during the Pacific War as the Japanese air force unloaded their bombs onto the city in 1942.

### SIGHTS

- Museum and Art Gallery of the Northern Territory
- Crocosaurus Cove
- Mindil Beach
- Darwin Wave Lagoon
- Darwin Aviation Museum
- Nightcliff Jetty
- George Brown Darwin Botanic Gardens

### DARWIN CITY LAGOON

Located on the waterfront right next to the wave pool and a great place to relax, work on your tan, and have a picnic.

As it can be dangerous to swim in Darwin (mostly because of the crocs and jellyfish), the lagoon is the only place in the city where it is actually safe to swim. It's a small bay that has a net surrounding it to prevent jellyfish and crocodiles from entering the area.

The lagoon is open all year round and is patrolled by lifeguards every day. The Darwin Lagoon also has a new Mobi-mat for those in wheelchairs.
