SHIMIZU, JAPAN

ONE OF JAPAN'S MOST SCENIC VIEWS OF MOUNT FUJI ON CLEAR DAYS

Feel your heart thumping at your first sight of Japan's most heavenly vision - Mount Fuji's cone emerging through the haze. With its summit dipped in pure white snow the iconic volcano's cone is one of the most famous natural landmarks in the world - and a picturesque backdrop for Shimizu.

Come ashore to this serene vision of beauty - and whether you head straight for the siren-call of the volcano's slopes or the sanctuary of gorgeous heritage-rich shrines and tranquil tea plantations - spine-tingling views of Japan's tallest mountain are never far away. A perfectly symmetrical spectacle visible for miles around, Mount Fuji is an adored national symbol of Japan.

Travel closer to its slopes to soak in some of the country's finest panoramas. Or take in the views with a dash of local culture at the Fujisan Hongu Sengen Shrine - an elegant shrine that stands in thrall to the salt and pepper volcano close by. The Shiraito Waterfall World Heritage Site flows just beneath the volcano - visit to see the gloriously wide curtain of water gushing through the thick vegetation.

Visit Kunozan Toshogu Shrine for another perspective or to soak up the tranquil site before swinging above on a scenic ropeway. Located on the adjacent Mount Kuno - privileged views of the mountain and Suruga Bay will unroll before you. Nihondaira Plateau is another option where you can soak in panoramic views of the bay and Mount Fuji dominating behind.

CHRISTINE ANDREAS

TONIGHT'S SHOW

AT 9:30 P.M.
THE SHOW LOUNGE, DECK 6

Christine Andreas is a multiple-award-winning singer/actress/recording artist and a two-time Tony® Award nominee. Her cabaret appearances internationally & in New York's finest rooms and concerts from the White House to Carnegie Hall continue to "transform" & "electrify" audiences.

Current obsession... her one woman show PIAF: No Regrets.

Her onboard performance is a perfect mixture of gems from the American Songbook, Broadway Classics, Contemporary Pop as well as an impeccable French repertoire. Her vocal range is equaled by her lyric interpretation and she is as comfortable delivering Irving Berlin as she is Billy Joel. Christine's Musical Director and pianist is her husband, award-winning theatrical composer and two-time Grammy nominee Martin Silvestri. Besides conducting the ship's orchestra from the piano, Mr. Silvestri interacts with Christine during the performance and usually accompanies her vocally on one or two duets during the show. The fact that they are invited every year to join a segment of multiple World Cruises is proof within the industry of their popularity.

HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands.
