KAGOSHIMA, JAPAN

AN OTHERWORLDLY BLEND OF THE TRADITIONAL AND TROPICAL

One of Japan's most southerly major cities, Kagoshima is dominated by the imposing Sakurajima volcano's cone – a legendary active volcano that broods, churns and puffs out ash nearby. A pretty old-time ferry chugs across the still waters to the gently sloping foothills of the volcano's cone, and it's easy to imagine where the comparisons with its sister city Naples materialised, as you sail the glorious sweeping Kinko Bay, below beaming sunshine, towards the immense volcanic spectacle.

This is certainly no historic relic, and the volcano remains revered and feared, with the most dramatic recent eruption taking place in 1914, and spewing out a new bridge of land into the sea. Make the most of the geothermal activity in the area by indulging in a stress-simmering black sand bath. Incredibly relaxing, you'll be submerged in the warm sand, as you feel your muscles relaxing in the heat, and rejuvenating blood pumping around your body.

Enjoy a privileged view of the iconic volcano's loom from the terraced garden of Senganen Garden. Built in 1658, this elegant, traditional garden has belonged to the Shimadzu family for 350 years. Wander the gardens – which bloom with Japan's renowned cherry tree blossoms and feature tiny bridges looping over ponds and rock pools – before sitting back and sipping a wholesome green matcha latte.

Elsewhere, museums offer Feudal Era and Satsuma Province history, as well as insights into the Kamikaze squadrons of World War II. Lake Ikeda is also close by, so be sure to keep an eye out for the legendary Issie monster.

SIGHTS

- Sengan-en Garden

There is a 100-m long footbath, one of the longest in Japan, fed by a natural hot spring from 1,000 m underground is in the park. The terra-cotta colored water contains iron. The perfect spot for a relaxing footbath while viewing Kinko Bay in front and the Sakurajima in the background?

On board this luxury cruise ship, a divine selection of Italy's best cuisine is served à la carte in La Terrazza. Authentic recipes and the freshest ingredients come together with flair and passion – a flavourful expression of Silversea's distinctive Italian heritage.

La Terrazza uses buffalo mozzarella from Naples, organic balsamic vinegar and olive oil from Umbria, and air-dried ham out of Parma. The Emilia-Romagna region also produces Silversea's 24-month aged Parmigiano Reggiano, while the pasta is made fresh daily onboard the *Silver Shadow*.

PARIS TO BROADWAY

TONIGHT'S SHOW WITH CHRISTINE ANDREAS

▶ AT 6:30 P.M.
▶ THE SHOW LOUNGE, DECK 6

Christine Andreas is a multiple-award-winning singer/actress/recording artist and a two-time Tony® Award nominee. Her cabaret appearances internationally & in New York's finest rooms and concerts from the White House to Carnegie Hall continue to "transform" & "electrify" audiences. Current obsession... her one woman show PIAF: No Regrets.

Her onboard performance is a perfect mixture of gems from the American Songbook, Broadway Classics, Contemporary Pop as well as an impeccable French repertoire. Her vocal range is equaled by her lyric interpretation and she is as comfortable delivering Irving Berlin as she is Billy Joel. Christine's Musical Director and pianist is her husband, award-winning theatrical composer and two-time Grammy nominee Martin Silvestri. Besides conducting the ship's orchestra from the piano, Mr. Silvestri interacts with Christine during the performance and usually accompanies her vocally on one or two duets during the show. The fact that they are invited every year to join a segment of multiple World Cruises is proof within the industry of their popularity.

HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands.
