## HAKODATE, JAPAN

### BEST KNOWN FOR THE SPECTACULAR VIEWS FROM MOUNT HAKODATE

Gaze down over Hakodate, from the heights of its namesake peak - Mount Hakodate - to see the city stretching out spectacularly, with back-to-back twin bays splitting the ocean. Hakodate port was one of the first to open Japan up to the world, and to international trade in 1859 - a fact reflected in the architecture, with its influences from the West and beyond.

The port area is a redbrick wash of warehouses turned shopping malls, all observed by the onion domes of the city's Russian Orthodox church. Elsewhere, the star-shaped Goryokaku fortress glows with natural colours and a beautiful haze of cherry blossom during the season. Goryokaku Tower, which rises up beside it, offers a sweeping bird's eye view of the green fortress and mountain backdrop.

Buses trundle up the 335-metre incline to the top of Mount Hakodate, but the best way to reach the views is to jump on the ropeway, which swings high above downtown's buildings, over a carpet of pine trees. Head up to the mountain's heights as sunset approaches. With darkness sweeping in, and the lights flickering to life, the panorama is one of Japan's most spectacular.

Soak it all in, and look out to the horizon, dotted with the shimmering lights of ships hauling in harvests of the city's renowned squid. The plankton-rich waters attract a delicious variety of feasting sea life to Hakodate's coast, which is then plated up in the city's numerous, skilled restaurants. For an eye-opening, whirring morning, see the freshest produce being doled out at Hakodate Morning Market - amid a cacophony of noise and activity.

### SIGHTS

- Goryōkaku (Historical place)
- Goryōkaku Tower
- Old Public Hall of Hakodate Ward
- Our Lady of the Angels  
Trappistine Abbey
- Cape Tachimachi
- Hakodate Hachimangu

### MT. HAKODATE OBSERVATORY

It's a three-minute trip across the sky offering you spectacular panoramas of Hakodate and the surrounding bay, sea and mountains. Inside the observatory, there is a gift shop selling Mt. Hakodate-limited merchandise as well as a restaurant where you can enjoy the chefs' signature Japanese and Western cuisine while gazing at the night view full of an infinite number of lights.

The view from Mt. Hakodate was awarded three stars by Michelin!

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands.
