LET'S CELEBRATE NATIONAL & INTERNATIONAL FOOD & BEVERAGE DAYS

TODAY: International Oranges and Lemons Day

At Silversea Cruises, we take maximum food precautionary measures to ensure the safest quality product is offered to our guests; Worldwide Public Health Services advise that consuming raw or undercooked meats, seafood, shellfish, eggs, milk, or poultry may increase your risk of food-borne illness, especially if you have certain medical conditions.

STAY HEALTHY

Please help us to help you stay healthy by using the hand sanitizers at the gangway before boarding the ship in each of the ports of call. Take advantage of the hand sanitizers around the ship. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Stay healthy and enjoy your cruise experience!
