SEWARD, ALASKA

SHAPED BY GLACIERS, NESTLED BETWEEN MOUNTAINS AND THE OCEAN

Monumental scenery surrounds you in this remote corner of the world, where glaciers calve and whales cruise through inky waters, before an immense mountain backdrop. Almost totally submerged by the colossal landscapes around it, Seward – and the wonders of Kenai Fjords National Park – offer some of astonishing Alaska's most thrilling scenery.

Located in a deep gash in the Kenai Peninsula, Seward is a place to immerse yourself in nature's majesty. Fjords carve into the landscape, while the Harding Icefield – which caps Kenai Fjords National Park – reaches out its icy fingers, with glaciers spilling down between mountain peaks.

Head to Holgate Glacier, to come face to face with a breathtaking stack of intense blue and white ice. Get up close in a kayak or boat ride, to slalom through the discarded confetti of ice chunks, and perhaps even witness the powerful spectacle of an ice ledge creaking and groaning, before plunging to the waters below.

The city of Anchorage is easily within reach from here, offering an incongruous contrast to the wild wonders of Alaska. A place where deep-sea fishermen bump shoulders with businesspeople on the 9-5, it's a fascinating, remote city. Home to almost half of the Alaskan population, Anchorage and its humble skyline is dwarfed by the snowy peaks of the wilderness beyond. Don't miss the opportunity to immerse yourself in the unique culture, traditions and heritage of the First Nation people of these lands too.

KENAI FJORDS NATIONAL PARK

Wildlife thrives in icy waters and lush forests along the fjords once carved by the vast expanse of ice. From towering tidewater glaciers to pods of orcas and breaching humpback whales, Kenai Fjords National Park is the highlight of many visitors' trips to Alaska.

At the edge of the Kenai Peninsula lies a land where the ice age lingers. Nearly 40 glaciers flow from the Harding Icefield, Kenai Fjords' crowning feature. This stunning landscape of mountains and ocean boasts one of the most diverse ecosystems of all of the national parks.

GOING ASHORE IN

ALL PORTS OF CALL

YOUR SHORE CONCIERGE

We at Silversea strive to offer personalized voyages for our guests. Our aim is to empower you to discover the ports in a manner that best suits your needs. Whether this is a coach tour, a small group adventure, a private van, or a stroll through town, count on us to send you on your journey fully prepared. Our team has years of travel experience. We endeavor to gather the best ground operators and local experts, enabling us to provide current pragmatic advice.

In-depth questioning and personalized research allow us to suggest an authentic taste of each destination.

We face a formidable challenge when advising about our hundreds of unique ports. Each port's operations and customer service approach reflect the local culture. While we demand the best, the best varies from port to port. You will never hear a team member embellishing a tour, we will always be frank and honest about the quality. Occasionally guides will have accents, buses will have forced air instead of air-conditioning and roads will be bumpy. However, as travelers, we know what is important. We emphasize what lies outside the window, what we have seen, heard, and discovered.

EXCURSION INFORMATION

Port information and full tour descriptions are available on the interactive TV system in your suite for each port of call for this voyage. Excursion tickets cannot be exchanged after the cancellation deadline. A full charge applies for the additional excursion on the same day. We highly recommend to wear a face mask while on a bus. Please check daily your in-suite TV for important messages regarding your excursions.
