ICY STRAIT POINT, ALASKA

MANY OUTDOOR ACTIVITIES LIKE HIKING, SPORTFISHING, KAYAKING, AND BIRDING

If there is one word that sums up Alaska it is nature. Miles and miles of it. And Icy Strait Point - one of Alaska's most unspoiled destinations - has nature in spades.

To begin with, Icy Strait Point is stunningly beautiful. It is the Alaska of your imagination: eagles soaring overhead, whales breaching before your eyes. Moody, low-hanging clouds set the scene while velvety green mountains provide the backdrop. Sparklingly clear waters lap at pebbly shores. These are beaches of the adventure kind, you won't find sun loungers and sombreros here, more like kayaks and canoes, ready for those who want to take their discovery off shore. The village prides itself on being home to "more brown bears than humans", so expect immersive wilderness experiences, from ATV adventures to zip lining through a canopy of trees!

Located on Chichagoff Island, 35 miles west of Juneau and right in the centre of Glacier Bay, Icy Strait Point began life as a salmon cannery business, providing employment for the residents of nearby Hoonah. The cannery has served the community in many ways, including providing housing for employees after a fire in 1944 destroyed many resident's homes. It ceased to function entirely in 1999 and in 2001, the landing was repurposed as America's only private cruise ship terminal.

The Alaskan owned and operated terminal funnels all its profits back into the local environment and provides employment for around 85% of local residents, many of whom live in Alaska's largest Native Tlingit village.

SIGHTS

- Historic Salmon Cannery
- Whale Watching
- Icy Strait Point Gondola
- World's largest Zipline - the ZipRider
- Tlingit Village
- Canopy Adventure Park

TRIBAL DANCE THEATER

Located at the Heritage Center on the east side of the cruise ship area is the destination for the Tribal Dance and Cultural Legends live show. Local performers, dressed in traditional regalia, bring to life the history, culture and legends of the Tlingit through song, dance and storytelling.

It is an impressive and entertaining way to learn about many of the human qualities that make this part of Alaska unique.

COMING SOON TO A PIANO NEAR YOU

WITH MUSICAL HUMORIST DALE GONYEA

▶ AT 6:30 P.M.
THE SHOW LOUNGE, DECK 6

At the age of five, Dale Gonyea got up very early one morning and, without a single lesson, spontaneously began playing the piano. His parents were astonished because they did not have a piano. They decided he needed therapy or music lessons. Therapy was expensive. They bought a piano, and a career was born.

He is a University of Michigan music graduate who now uses the piano as the springboard for his unique humor. Gonyea is an Emmy winner, a Clio nominee, and Grammy-nominated.

He has written songs for Disney, including Goofy's Anthem, "You Can Always Be Number One" and the Genie's song for The Return of Jafar, the sequel to Aladdin. The Los Angeles Times proclaimed him "heir to the piano-comedy throne".

JOURNEY TO THE TOP OF THE WORLD

You never know what you might encounter on our Arctic expeditions. Cruise by Zodiac to Sorhamna, also known as Bear Island. Hike to the 14th of July glacier. Identify a plethora of species among steep bird cliffs. Learn about the indigenous Inuit people. Behold Icefjord and traverse Scoresby Sund, the longest fjord system in the world.

HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands.
