LET'S CELEBRATE NATIONAL & INTERNATIONAL FOOD & BEVERAGE DAYS

TODAY: Chocolate Custard Day (USA) + International Totally Chipotle Day

At Silversea Cruises, we take maximum food precautionary measures to ensure the safest quality product is offered to our guests; Worldwide Public Health Services advise that consuming raw or undercooked meats, seafood, shellfish, eggs, milk, or poultry may increase your risk of food-borne illness, especially if you have certain medical conditions.

HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Please use the hand sanitizers situated at the entrance door of the dining outlets and various locations around the ship.
