# TOKYO, JAPAN

## *Dense and delightful*

Dense and delightful, there's nowhere else like Japan's kinetic capital - a city where ancient traditions blend seamlessly with a relentless pursuit for the future's sharpest edge. See the city from above, as elevators rocket you up to towering viewing platforms, from which you can survey a vast urban ocean, interspersed with sky-scraping needles. Look out as far as the distant loom of Mount Fuji's cone on clear days. Futuristic - second-accurate - transport seamlessly links Tokyo's 14 districts, while the glow of flashing advertisement boards, clanks of arcade machines, and waves of humanity flowing along its streets, adds to the sense of mesmerising, dizzying and glorious sensory overload.

One of Tokyo's most iconic sights, don't miss the flood of people scrambling to cross Shibuya's famous intersection. Join the choreographed dance, as crowds of briefcase-carrying commuters are given the green light to cross at the same time - bathed in the light of massive neon advertisements. The culture is immensely rich and deep, with 7th-century, lantern-decorated temples, stunning palaces and tranquil scarlet shrines waiting below cloaks of incense and nestling between soaring skyscrapers.

Restaurants serve up precisely prepared sushi, and wafer-thin seafood slivers, offering a unique taste of the country's refined cuisine. Settle into traditional teahouses, to witness intricate ceremonies, or join the locals as they fill out karaoke bars to sing the night away. In the spring, cherry blossom paints a delicate pink sheen over the city's innumerable parks and gardens.

### SIGHTS

- Idemitsu Museum of Arts
- Imperial Palace East Garden
- Jindai-ji Temple
- Meiji Jingu Shrin
- Mori Art Museum
- Nakano Broadway

### SHOPPING

Overlooking the harbor, Decks Tokyo Beach six-story complex of shops, restaurants, and boardwalks is really two connected malls: Island Mall and Seaside Mall. For kids (or nostalgic adults), check out the Lego Discovery Center, Joypolis mega-arcade, Trick Art Museum, and Madame Tussauds Tokyo. At the Seaside Mall, a table by the window in any of the restaurants looks out to a delightful view of the harbor, especially at sunset, when the yakatabune (traditional-roofed pleasure boats) drift down the Sumida-gawa from Yanagibashi and Ryogoku.

# THE POWER OF CORE

## YOUR ONBOARD SHORE CONCIERGE

We at Silversea strive to offer personalized voyages for our guests. Our aim is to empower you to discover the ports in a manner that best suits your needs. Whether this is via a coach tour, a small group adventure, a private van or a stroll through town, count on us to send you on your journey fully prepared.

Our onboard team has years of acquired travel experience. We endeavor to gather the best ground operators and local experts, enabling us to provide current pragmatic advice. In-depth questioning and personalized research allows us to suggest an authentic taste of each port or destination.

We face a formidable challenge when advising about our hundreds of unique ports. Each port's operations and customer service approach reflect the local culture. While we of course demand the best, the best does vary from port to port. You will never hear a team member embellishing a tour, we will always be frank and honest about the quality. Occasionally guides will have accents, buses will have forced air instead of air-condition and roads will be bumpy. However, as travelers, we know what is important. We emphasize what lies outside the window, what we have seen, heard and discovered scents for ourselves.

**Expect long walks to reach tour buses in some ports. Please double check Tour Descriptions for Level of Activity.**

## EXCURSIONS

Port information and full tour descriptions are available on the interactive TV system in your suite for each port of call for this voyage. Excursion tickets cannot be exchanged after cancellation deadline. Full charge applies for the additional excursion on the same day.

**For tour cancellations, tickets must be returned before deadline to Shore Concierge Desk, Deck 5.**

Please check daily your in suite TV for important messages regarding your excursions.

## GOING ASHORE INDEPENDENTLY

The Shore Concierge desk takes pride in its ability to help guests on tour as well as guests who prefer individual sightseeing. The team will make private arrangements and suggest itineraries for independent exploration. If you just want to grab a taxi or to walk ashore, the Shore Concierge is eager to supply local information and useful tips.
