## HONG KONG

### *Discover the real Hong Kong*

Having been leased to the British for 99 years, milky tea is a revered tradition here - enjoy your cup with a serving of local dim sum. While it's easy to think all the bright lights are the sum of today's Hong Kong, you need only walk or board a tram for the short jaunt west into Western to discover a side of Hong Kong that is more traditionally Chinese but no less high-energy. You'll discover the real Hong Kong to the east of Central, too, in Wan Chai, Causeway Bay, and beyond.

Amid the residential towers are restaurants, shopping malls, bars, convention centers, a nice smattering of museums, and—depending on fate and the horse you wager on—one of Hong Kong's luckiest or unluckiest spots, the Happy Valley Racecourse.

Kowloon sprawls across a generous swath of the Chinese mainland across Victoria Harbour from Central. Tsim Sha Tsui, at the tip of Kowloon peninsula, is packed with glitzy shops, first-rate museums, and eyepopping views of the skyline across the water.

Just to the north are the teeming market streets of Mong Kok and in the dense residential neighborhoods beyond, two of Hong Kong's most enchanting spiritual sights, Wong Tai Sin Temple and Chi Lin Nunnery. As you navigate this huge metropolis (easy to do on the excellent transportation network), keep in mind that streets are usually numbered odd on one side, even on the other. There's no baseline for street numbers and no block-based numbering system, but street signs indicate building numbers for any given block.

### SIGHTS

- Avenue of Stars
- Big Bus Tour
- Central Ferry Pier
- Central Police Station
- Cheung Sha Beach
- Flower Market

### SHOPPING

They say the only way to get to know a place is to do what the locals do. When in Hong Kong, shop. All shops are open until 7 or 8 pm; many don't close their doors until midnight. You might find a bargain or two elbowing your way through a chaotic open-air market filled with haggling vendors selling designer knockoffs, the air reeking of the chou tofu ("stinky" tofu). But then you could find a designer number going for half the usual price in a hushed marble-floor mall.

## HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Please use the hand sanitizers situated at the entrance door of the dining outlets and various locations around the ship.
