STAY SAFE! PREVENT MOSQUITO BITES

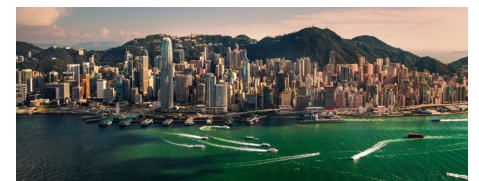

To reduce the risk of mosquito bites that may carry Dengue virus, apply mosquito repellent to your skin and clothing, prefer light-colored clothes, wear long pants, long sleeve shirts, socks and closed shoes and cover as much of your body as possible, especially when going ashore and after dusk.

For more tips on staying safe, consult the onboard medical team.

INTERNET IN CHINESE WATERS

A DIFFERENT INTERNET EXPERIENCE

As Silver Dawn prepares to enter Chinese waters, we will be discontinuing the use of Starlink connectivity due to regulatory limitations that are outside our influence and not unique to China. During our time in these waters, it is expected that the internet service aboard Silver Dawn will diminish in performance. We want to assure you that we will continue to bring you the best connectivity possible while in port in China.

For any assistance, please contact the Reception Desk.
