## HONG KONG

### AN ENIGMA WRAPPED IN A MYSTERY

A spectacular, serrated skyline of soaring towers and neon lights, Hong Kong is a vibrant, immersive metropolis and cultural hub. Dramatic harbour-front light shows transform the waterfront's gleaming buildings into a colourful canvas - best seen from the Star Ferry, when the Symphony of Lights blares into life each evening. A city where future and tradition collides - perhaps best illustrated by the skyscrapers that feature gaping holes, designed to allow spirit dragons to soar from the hills to the waterfront unimpeded.

Wander flowing shopping streets, wade through sprawling markets and soak up the neon glory of this one-of-a-kind city - which continues to reach for the sky. Hong Kong's dense jumble of activity is one of its main appeals, but once you've felt the thrill of rising to towering observation decks, to see the soaring city from above, it's surprisingly easy to find peace among Hong Kong's intense urban wonders. Victoria Peak is the highest point and it offers staggering views down over the city and harbour. The Peak Tram funicular can ferry you to the top, to the vantage point which was historically adored by the rich for the cooler air found here, away from the busy bustle of the city streets. Many elaborate temples add a tranquil element to Hong Kong's whirr, and Tin Hau temple has a surprisingly urban location, considering its dedication to the Goddess of the Sea. It did once occupy the shorefront, but the city's growth saw land reclaimed from the sea around it, leaving the temple marooned inland.

### SIGHTS

- Avenue of Stars
- Big Bus Tour
- Central Ferry Pier
- Central Police Station
- Cheung Sha Beach
- Flower Market

### SHOPPING

They say the only way to get to know a place is to do what the locals do. When in Hong Kong, shop. All shops are open until 7 or 8 pm; many don't close their doors until midnight. You might find a bargain or two elbowing your way through a chaotic open-air market filled with haggling vendors selling designer knockoffs, the air reeking of the chou tofu ("stinky" tofu). But then you could find a designer number going for half the usual price in a hushed marble-floor mall.
