HO CHI MINH CITY, VIETNAM

A cultural melting pot with a rich history

Ho Chi Minh City is a cultural melting pot with a rich history dating back to the Khmer Kingdom. The city has been affected by a variety of cultures over the ages, including Chinese, Indian, French, and American, which have left their mark on the city's architecture, cuisine, and way of life.

Exploring Ho Chi Minh City's many historic buildings and museums is one of the greatest ways to experience its cultural diversity. The Reunification Palace, for example, is a spectacular example of mid-century modern architecture that functioned as the South Vietnamese government's seat of power throughout the war. Another must-see sight is the Museum of Vietnamese History, which depicts the country's cultural progress from ancient times to the present.

Food is another way to immerse yourself in the culture of Ho Chi Minh City. Vietnamese cuisine is known for its fresh ingredients, robust flavors, and healthy herb and spice balance. Street food vendors can be found all around town, with everything from pho and banh mi sandwiches to exotic fruits and grilled meats.

Ho Chi Minh City is also known for its thriving arts scene, which includes a number of galleries, theaters, and performance spaces that showcase the work of local artists and performers. For example, the Sydney Opera House is a spectacular French colonial-era structure that hosts a range of cultural events throughout the year, including opera, ballet, and traditional Vietnamese music and dance performances.

SHOPPING

Considered a traditional fine art of Vietnam, lacquerware is beautiful, long-lasting and—best of all for those with luggage weight restrictions—light. Most tourist shops and markets hawk the same kind of budget lacquerware. Higher quality items come at a price and are usually found in specialty shops. Some of the newer high-rise shopping complexes in downtown Ho Chi Minh City are home to high-end international brands.
