TEMA, (ACCRA) GHANA

The way Mother Nature intended it

From a modest fishing port to the biggest in Ghana, Tema's industrial activity has all but tarnished the charming, postcard scenery of the region.

The neighbouring white-sanded beaches remain immaculate, still serving as a testimony of the rich variety of birds that can be found in the area. In the way Mother Nature intended it, gannets, boobies and kingfishers amongst other species fish in and around the cerulean waters of the coast. A light breeze tickles the inflamed, iron-filled soil of the mainland on which the railway linking Tema to Accra lures hundreds of visitors each day.

On board one of the carriages to Accra, distinctively noticeable by their painted coats of red, yellow and green that echo Ghana's national flag, a peek out of the window will offer scenic views of the harbour and coast, as well as the fields that separate Tema from the capital.

SHOPPING AND CUISINE

Here is 7 traditional Ghanaian gastronomy you need to try if you are visiting Ghana: Jollof rice, Waakye, Kenkey and fried fish, Fufu and goat light soup, Banku, Boiled yam or plantain with Kontomire stew.

If you looking for local products you can visit Arts & Crafts Market and Casket-Maker's Shop. Traditional crafts can be as simple as a basket or as complicated as fine woven silk. Whether it is a rug, a knitted sweater, an iron hinge, or a hunting decoy, people often invest time and effort, beyond what is needed for basic necessity, to produce crafts that are pleasing to the eye.

Some arts and crafts to look out for: Kente cloth weaving, Adinkra cloth, Tie & dye, batik, Krobo glass beads, Fantasy coffins, Brass casting, Bolga baskets, Sign art and other painters.

IN-SUITE DINING

24-hour

The menu is available on the TV.

To place your order please contact your butler or call extension 500. In-Suite Dining is also available in other public areas when our dining venues are not open for service.

At Silversea Cruises, we take maximum food precautionary measures to ensure the safest quality product is offered to our guests; Worldwide Public Health Services advise that consuming raw or undercooked meats, seafood, shellfish, eggs, milk, or poultry may increase your risk of food-borne illness, especially if you have certain medical conditions.

HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Please use the hand sanitizers situated at the entrance door of the dining outlets and various locations around the ship.
