# LÜDERITZ, NAMIBIA

## The Surf City

The scorched desert that surrounds Lüderitz means the city's collection of German art nouveau architecture couldn't look more unusually placed along the Namibian coastline. This quirkiness is what gives the destination its charm. See gangs of playful penguins skipping across the waves pink flamingos wading by the coast and dolphins leaping into the air near Penguin Island and Seal Island. A much more haunting location with an incredibly dark past is Shark Island - which witnessed the deaths of between 1 000 and 3 000 people when it was the location of a German concentration camp between 1905 and 1907. Inland from Lüderitz is Kolmanskop the site of a famous diamond mine and ghost town.

**Colonial architecture:** The town boasts notable German colonial buildings with Art Nouveau elements, giving it a distinct European feel.

**Diamond mining:** Lüderitz was once a major hub for diamond extraction, which heavily influenced its development.

**Wildlife viewing:** The area surrounding Lüderitz is home to various marine animals like seals, penguins, and dolphins, making it a popular spot for wildlife tours.

**Diaz Point Lighthouse:** This lighthouse marks a significant historical point where Portuguese explorer Bartolomeu Dias first landed on the Namibian coast.

**Museum:** The Lüderitz Museum showcases the town's history, including its geological aspects related to diamond mining.

## SHOPPING AND CUISINE

Lüderitz offers a unique dining scene that blends traditional Namibian cuisine with influences from its German colonial past. Lüderitz is known for its seafood, including oysters, lobster, and mussels. The town also has German-style confectionary (Schwarzwälder, Kirschtorte, Apfelstrudel) and snacks (Biltong, Droewors, Landjäger, Brötchen).

Divikz Ftlotp street is a shopping street in Lüderitz.

Lüderitz is a port town in the Ilkaras Region of Namibia.

The waterfront near the harbor has been developed with shops, restaurants, and leisure facilities.

The shopping street was used for general shopping by residents of Kolmanskop and nearby mining towns.

24-hour

The menu is available on the TV.

To place your order please contact your butler or call extension 500. In-Suite Dining is also available in other public areas when our dining venues are not open for service.

*At Silversea Cruises, we take maximum food precautionary measures to ensure the safest quality product is offered to our guests; Worldwide Public Health Services advise that consuming raw or undercooked meats, seafood, shellfish, eggs, milk, or poultry may increase your risk of food-borne illness, especially if you have certain medical conditions.*

### HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Please use the hand sanitizers situated at the entrance door of the dining outlets and various locations around the ship.
