A study in contrasting economies

A study in contrasting economies, Luanda is a boisterous coastal city of haves and have-nots.

As capital of Africa's second-largest oil-producing country, it has been deemed the world's most expensive city, and since independence in 2002, everyone seems to be gunning for a piece of the post-civil war economy. Its renaissance offers a range of experiences, from cushy hotels to a restaurant-lined oceanfront promenade to locals hawking handmade goods at crowded public markets.

IN-SUITE DINING

24-hour

The menu is available on the TV.

To place your order please contact your butler or call extension 500. In-Suite Dining is also available in other public areas when our dining venues are not open for service.

At Silversea Cruises, we take maximum food precautionary measures to ensure the safest quality product is offered to our guests; Worldwide Public Health Services advise that consuming raw or undercooked meats, seafood, shellfish, eggs, milk, or poultry may increase your risk of food-borne illness, especially if you have certain medical conditions.

HAND WASHING & HAND SANITIZING

Keeping hands clean through improved hand hygiene is one of the most important steps we can take to avoid getting sick and spreading germs to others. Many diseases and conditions are spread by not washing hands with soap and clean, running water. Alcohol-based hand sanitizers can quickly reduce the number of germs on hands. Please use the hand sanitizers situated at the entrance door of the dining outlets and various locations around the ship.
